

## REMARKS

The present amendment is submitted in response to the Notice of Non-Compliant Amendment dated March 15, 2007, which set a one-month period for response, for a due date of April 15, 2007.

Claims 1-11 are pending in this application.

In the Notice, it was noted that claim 10 as presented in the Applicants' amendment dated December 21, 2006 was not designated as "currently amended". In addition, it was noted that the amended drawings were not attached to the amendment.

In this response, the amended claims are presented again, with claim 10 including the correct status identified of "currently amended".

The amended drawings are attached to this response.

It is submitted that the present response addresses and resolves the issues raised in the Notice of Non-Compliant Amendment. Should the Examiner have any further comments or suggestions, the undersigned would very much welcome a telephone call in order to discuss appropriate claim language that will place the application into condition for allowance.

Respectfully submitted,
